

Work scheduled For Monday January 15 , 2018 through Sunday January 21, 2018

Motorists, pedestrians and cyclists are urged to use extra care and caution when traveling on the streets with sewer work areas. Temporary road repairs will be made and loose gravel should be expected until the patches are permanently paved. All construction work is subject to change based on such unknowns as weather, equipment and access issues. The construction work schedule for the week beginning Monday January 15 2018 is as follows:
