### BRIEF PROJECT DESCRIPTION

This project consists of the exterior resurfacing of the Frank Lorino Park tennis courts. Work shall include new paving, surfacing, striping, tennis court posts and nets, court sign numbers, replacement of existing site stairs leading to the courts, and court benches.

The quality of the installation of the paving system and surfacing system and other items of the Work as described in these bid documents are of the essence of the contract. As such, contractors and subcontractors that do not meet the minimum requirements for experience and certifications identified in the project specifications will not be considered. By submitting a bid, the bidder is certifying that the assembled construction team meets the experience, certification and other requirements as required by the Bid Documents. Proof of experience and requested certifications will be required prior to execution of the contract.
